## Welcome Message from IAPP President and Hon. Secretary General

As the President and Hon. Secretary General of the Indian Association of Private Psychiatry (IAPP), it is our utmost pleasure to extend a warm welcome to every one of you for the **7<sup>th</sup> edition of NCPC 2023**. The NCPC has always served as a platform for eminent experts, researchers, and practitioners to come together, share their expertise, and discuss the latest advancements in child psychiatry. This year's theme, "Adolescence in an AI-driven World," has been carefully chosen to delve into the complex interplay between technology, adolescence, and mental well-being.

We would like to express our deepest appreciation and gratitude to Dr. Deepak Gupta, the Organizing Chairperson, and Dr. Bhooshan Shukla, the Organizing Secretary, for their relentless efforts and dedication in putting together this remarkable conference.

We encourage each one of you to actively participate in the various sessions, engage in fruitful discussions, and utilize this exceptional opportunity to expand your knowledge, network with peers, and gain new perspectives that will enhance your professional journey in child psychiatry. Once again, we extend our warmest welcome to **NCPC 2023 in Pune**. Let us come together, share our expertise, and work towards creating a brighter future for the mental well-being of our children.

With warm regards,

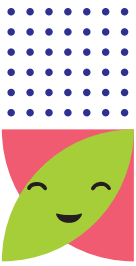

**Dr. Venu Gopal Jhanwar**

President, IAPP

**Dr. Avinash De Sousa**

Hon. Secretary General, IAPP

## Welcome Message from Organizing Committee

Dear esteemed participants,

We are honored to host **National Child Psychiatry CME (NCPC 2023) in Pune on the 30<sup>th</sup> of July, 2023**. The field of child and adolescent psychiatry is constantly evolving, and it is imperative that we stay at the forefront of knowledge and advancements to effectively address the mental health needs of our young generation. With this in mind, we have chosen the theme for this year's conference to be "**Adolescence in an AI-Driven World.**"

It is crucial for mental health professionals to understand the impact of AI on adolescent mental health, navigate ethical considerations, and harness the potential of AI to promote positive mental well-being. We will explore topics such as AI applications in mental health assessment and intervention, the impact of social media on adolescent well-being, ethical considerations in AI implementation, and strategies to promote healthy technology use among adolescents.

We have curated an exciting and thought-provoking program for the conference, featuring renowned experts in the field of child and adolescent psychiatry, as well as AI specialists. Your active involvement will make this conference a vibrant platform for learning, sharing experiences, and forging collaborations that will have a lasting impact on the mental health of adolescents.

Once again, a warm welcome to **NCPC 2023**. We look forward to an inspiring and enriching conference that will deepen our understanding of adolescence in an AI-driven world.

With warm regards,

**Dr. Deepak Gupta**

Organizing Chairperson, NCPC 2023

**Dr. Bhooshan Shukla**

Organizing Secretary, NCPC 2023
